KEEP 50+

Promoted by UGT-Euskadi , but applicable throughout Spain

Project financed by the Ministry of Industry, Energy and Tourism in the framework of the financing of the Avanza Plan

KEEP 50+

It is a website to connect companies with job vacancies, over 55 unemployed people, social agents and public and private bodies dedicated to the promotion of employment

It also includes socio-labor orientation

KEEP 50+

The resources included in this website are structured in 4 sections:

1. Training center with different training resources for your job search

KEEP 50+

2. Center of attention to the user where they analyze your professional trajectory and put at your disposal guidelines and tools to optimize your job search process

KEEP 50+

3. You can periodically review the job offers published by the user companies and thus become a candidate of the ones that interest you the most

KEEP 50+

4. If you are a company, you might be interested in seeing the programs and you are invited to post job offers

KEEP 50+

**There is an explanatory video
of the whole process**
